

Newsletter and Weekly Achievement 11.11.22

INSET Days 2022-23

Monday 5th June
Friday 21st July

Events from this week

This week was National Recycling week. Pupils have carefully considered items that can be recycled into different categories.

Thank you to those parents who were able to join the F2 phonics workshop and the Y2 reading workshop this week. We hope that you found them useful in supporting your child with their learning.

There were two sporting trips this week. The first was a unique opportunity for Y5 to watch ice skaters at Ice Sheffield. The children in Year 5 commented that it was 'amazing, powerful and magical and loved how the dancers were dressed up'. The experience may have inspired some to find their skating feet!

The second was an opportunity for Y4 to take part in an inclusive, non-competitive basketball event at Concord Sports Centre. Harley in Year 4 commented 'I enjoyed taking part in the competitive games. I tried really hard!' A special mention to Elijah, who won an award for showing outstanding sportsmanship and skill.

S6 Foodbank Donations

In order to support our Year 6 Social Action Project, we will be accepting donations of tins and packets of food until the 6th December. Please send in any donations via the school office or your child's classroom.

Pre-Loved Uniform

Pre-loved school uniform is available in the office. Please feel free to browse and take any items that you will be able to use.

Upcoming Events

Anti-bullying Week

Monday 14th November sees the start of Anti-bullying week in school. Children are invited to wear odd socks on Monday to celebrate that everyone is different.

Year 4 Family Assembly

On Tuesday 15th November, Y4 will perform their assembly at 8:45am. Family members are welcome to watch the children as they showcase their super learning.

Children in Need

On Friday 18th November, we will be celebrating Children in Need. The theme for this year is 'SPOTACULAR' so children can wear spots or yellow. The children will participate in a skipathon to help raise money for this important cause. Donations can be made via sQuid.

Parent Workshops
