INSET Days 2022-23

Monday 5th June

Friday 21st July

PESSPA

A huge thank you to Miss Kennedy and Mrs Drew for taking some of our Y5 and Y6 children to Forge Valley earlier this week.

Read the report written by our PESSPA group to find out more about the event.

On the 6th October 2022, PESSPA went on a trip to Forge Valley High School. On the trip we took part in some sports leadership training. We went around and met new people in order to learn about what they like about sports. We learnt about how to be a good leader and work together as a team. We also created an action plan for how we are going to use our new knowledge in school. We are excited to share our new ideas and knowledge with you over the next few months!

Healthy Eating

This is our healthy eating packed lunch suggestion for this week.

D.I.Y Cheeseboard

Let your child have a pick& mix cheeseboard for lunch!
Pack a portion of their favourite cheese (30g), 4-5 crackers (wholegrain if possible) along with a selection of fruit & vegetables – grapes, raisins, olives, sliced tomatoes, celery & cucumber all work well.

Harvest Festival Celebration

This week, we celebrated a wonderful Harvest Festival at Coit. It was fantastic to see adults from home in the audience helping us to celebrate the talents of our Ks1 and Ks2 children. From acting, to art work, from poetry to singing, we all thoroughly enjoyed ourselves. Lucy Hurd from the Roundabout Charity and Mikey Gilmour from St John's also reminded us of the importance of being thankful and sharing what we have with others.

A huge thank you to those of you who sent in food packages. We also raised £200, which will be donated to the Roundabout Homeless Charity.

Keeping Safe Assembly

The Year 5 and Year 6 children participated in an assembly today delivered by a local PCSO. The assembly shared information about keeping safe during dark nights.

Sheffield Children's University Passport to Learning

It's packed full of fun activities happening during the October bank holidays - from performance arts and Halloween potion workshops to sports, circus skills and music. There are also lots of activities at Sheffield Libraries and Sheffield Museums too! There are links to Sheffield CU home learning challenges which can be done for no cost at home and you can earn CU credits.

Individual Photos

On Thursday 3rd November, the children will be having their individual photos taken. Pre-school siblings can be brought in from 8am-8.20am to be included in the family photos.
