Healthy Eating

This is our healthy eating packed lunch suggestion for this week.

Homemade Mini Pizzas

Spread some tomato purée and fresh or dried herbs onto a pitta bread, then top with vegetables such as onion, sweetcorn, peppers, courgettes, spinach or rocket. You could also add some cooked chicken or ham. Then add some grated cheese or slices of mozzarella. Grill until the cheese is melted. Cool and place in the lunchbox in the fridge for the next day.

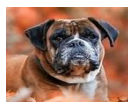

Bonfire Safety Talk

Mr Booth (you might know him better as Pc Booth) came into school on Wednesday to talk to the children about keeping safe during Bonfire Night. He also commented on how well the children listened to his assembly and how welcomed he always feels when he visits Coit. The link below is for a Bonfire Night safety video which can be shared at home.

Dogs Trust Assembly

On Monday, the Key Stage 1 children enjoyed an assembly led by the 'Dogs Trust'. It reminded the children about the needs of dogs and how to act responsibly around them. Year 3, Year 4 and Year 5 then participated in workshops which reinforced key messages about dog ownership and handling.

A Used Toy Appeal from Choose in Chapeltown

On 29th October, Choose in Chapeltown will be accepting donations of used toys.

Donations can be brought to the yard on the bottom of Arundel Road on this day. We will also accept donations at Happy Hare (the fabric shop) for all of the following week.

Please do make sure that any toys donated are clean and in good condition, so that they can either be sold at low cost to families who have little spare income, or can be passed on to family and community centres, refuges and women's centres, or children with complex needs.

We will be working with 'The Joybank', to ensure that all donations are directed appropriately.
