Monday 22nd July 2024

Tuesday 23rd July 2024

F2 Gardening Workshop

Our school hall was buzzing on Wednesday with the sounds of parents and children working collaboratively to create planters and decorations to brighten up our school environment. The teamwork and creativity shown was wonderful! Thank you for attending and for your support.

Y3 Trip to Weston Park Museum

Year 3 enjoyed an informative and creative day at Weston Park Museum this week. The building of the Parthenon out of polystyrene blocks proved to be a very popular activity. The children conducted themselves sensibly, safely and were well mannered throughout.

Golf Sessions

For the past three weeks, the children have been working alongside a PGA professional golf coach practising various skills and learning more about how golf is played. The progression in the children's skill set has been evident throughout school and the children have really enjoyed the sessions. The golf coach commented that we are a warm and enthusiastic school full of amazing children.

Fundraising Friday (30.6.23)

On Friday 30th June, the children will be participating in a fitness session using a video created by our Y4 and Y5 Social Action Project Group. They will also be decorating Buddhist Prayer Flags to support a charity walk up Everest which aims to raise money for Paces, a special needs school based in Sheffield. During the day, the children will be working alongside Russ Hall from Paces and Brett Pitcher from SWFC. The monies raised will be split between Coit (to support a wellbeing day) and Paces.

A suggested donation of £1 can be made via SQuid and children are asked to wear their PE kit on this date (30.6.23)

Y5 Partnership Games

Year 5 had a fantastic time at the Partnership Games on Thursday. They had the opportunity to try out a variety of different sports such as swimming, archery, gymnastics, boxing. The children had lots of fun and represented the school extremely well.

NHS Park Run

On Sunday 9th July, Sheffield Children's NHS is inviting every person in Sheffield under 14 years to a junior parkrun.

We're celebrating the NHS' 75th birthday all week, and you can join in by walking, running, rolling in your wheelchair or walker or even skipping the 2km course.

Come to Sheffield Olympic Legacy Park, Graves Park or Hillsborough Park at 8.50am to be part of it.

If you can, wear a blue top to join the 'big blue wave' of park runners. Junior parkrun is positive, welcoming and inclusive, there is no time limit and no one finishes last. Every family is welcome to come along.

Find out more and register at www.parkrun.org.uk

Y5 Partnership Games

Year 5 had a fantastic time at the Partnership Games on Thursday. They had the opportunity to try out a variety of different sports such as swimming, archery, gymnastics, boxing. The children had lots of fun and represented the school extremely well.

PlayZones New Multi-Use Games Area Consultation

Sheffield City Council are working in partnership with the Football Foundation on the new PlayZones Programme, and we need your input!

This is an exciting new project looking at renovating old Multi-Use Games Areas [MUGAs] into PlayZones and building new PlayZones from scratch.

This project aims to tackle inequalities in physical activity and provide access to high-quality community facilities in local, accessible spaces.

We are looking to find out more about how people feel about this proposal and learn about what needs to be included in the project to make it work for your local area. Access the following link to leave your feedback.
