17.3.23 Wellbeing Day / Red Nose Day / St Patrick's Day

Please note that Red Noses will not be available in school this year. They are not available to buy in large display boxes as the new design is aimed to reduce waste and they are not suitable for children under 7 years of age due to small parts. Red Noses will be painted on using hypo allergenic face paints and all children will be able to decorate a red nose biscuit. Suggested donations of £1 towards Comic Relief can be made through your sQuid account.

World Book Day

On Friday 3rd March, we will be celebrating 'World Book Day' across school.

This year, our theme for the event at Coit is 'The Power of Words'. Therefore, we are wanting all of the activities on the day to be centred around developing children's interest in words as well as their love of reading. During the day we will do lots of activities to celebrate these words and share with others.

We appreciate that this is a difficult time for many people so we have decided to keep the day simple. We would like children to send a photo of themselves reading their favourite book in an unusual place. For example, you may want to read in a den, under a table, at a supermarket or on a swing. These can be emailed to your class teacher if you wish. The staff at Coit will be joining in too! Your child is welcome to dress up if they would like.

As part of World Book Day, each child will receive a World Book Day £1 token, which can be redeemed from 16th February-26th March 2023 at any local bookshops. The £1 book tokens can be swapped for one of the exclusive, new and completely FREE World Book Day books available from participating booksellers or used to get £1 off any full price book or audiobook instead. For a full list of the FREE books, please go to <https://www.worldbookday.com/books/>.

Should you have any questions, please do not hesitate to contact your child's class teacher or Mr Watson.

[This Week's Assemblies](#)

Miss Zadrozny held a whole school assembly on Monday to share the meaning of Shrove Tuesday. Ask your child what they learnt.
