### Mystery Reader

**Do you have 15 minutes to spare before the end of the school day? Would you enjoy reading a story to your child's/grandchild's class?**

We are introducing a 'Mystery Reader' session which we would like to promote throughout school. It involves a family member coming into class to read a story at the end of the school day. The person who will be reading a story will be kept secret until the reading session takes place. If you would like to take part then please send an email to the class teacher with your availability and the book you would like to read.
