Additional dates

W/b 6.3.23 Science Week (we are celebrating a week early). See the website below for some brilliant activities you can complete at home.

<https://www.rigb.org/learning/activities-and-resources?type=28>

14.3.23 World Maths Day

17.3.23 Wellbeing Day / Red Nose Day / St Patrick's Day

Please note that Red Noses will not be available in school this year. They are not available to buy in large display boxes as the new design is aimed to reduce waste and they are not suitable for children under 7 years of age due to small parts. Red Noses will be painted on using hypo allergenic face paints and all children will be able to decorate a red nose biscuit. Suggested donations of £1 towards Comic Relief can be made through your sQuid account.

This Week's Assemblies

The children were visited by the **Blue Cross** this week and enjoyed an assembly all about dog safety. Ask your children about the '3Cs' and what they can remember about keeping safe when they are with dogs.

James from **Energy Sparks** spoke to the whole school about saving energy to save money and the environment. He met with our Eco Warrior group to look at how we can be more energy efficient. We have saved approximately 20% costs since James' last recommendations in???? which is very good news for our budget!

Curriculum Workshops

Thank you to those of you who were able to attend the Y1 phonics and Y3 maths workshops this week. Parents commented on how useful these sessions were and how they will help them to support their child at home.

Chapelton Park Kite Event

On Saturday 11th March, you are invited to fly your kite at Chapelton Park. This is a free event organised by 'Friends of Chapelton' and will run from 10.30am-2.30pm. If you don't have a kite, don't worry as you can make a small kite at the bandstand.

School Closure due to Snow

In the event of the need to close school in order to keep pupils and staff safe the procedure is; A text will be sent to all contacts (please ensure your details are up to date) A message will appear on the school website Sheffield City Council and local radio stations will be advised of the school closure who will announce this via their social media sites.

Weight Management Service Public Consultations

These programmes are usually delivered by a local community weight management service, and they support people/families to develop healthier habits and improve their health and wellbeing.

As part of the commissioning cycle, Sheffield City Council are beginning to speak with local stakeholders to gather their insight into what they would want from a future service, and we would also like to consult with the public too.

They have two public consultations and that are now LIVE (one for the Family Service and one for the Adult Service), and the links can be found below.

ADULT WEIGHT MANAGEMENT SUPPORT

<https://sheffield.citizenspace.com/chief-executives/adult-weight-support-consultation>

FAMILY HEALTH, WELLBEING AND BEHAVIOUR CHANGE SUPPORT -

<https://sheffield.citizenspace.com/chief-executives/family-health-wellbeing-support>

As a parent or carer to a child at school, the Weight Management Service would be hugely appreciative if you could please fill out the family consultation (second link) as we are sure you will have some rich insights into the services and support that should be available.

Please feel free to input into the Adult Weight Management Support consultation too if you feel this is appropriate.

World Book Day

We have been truly blown away by the costumes this year (including staff!) and the effort that has gone contributed to making it a very memorable day. Thank you for your support in promoting a love of reading.

Class	Weekly Attendance	Bennett Award Who has shown brilliant skill in PE this week?	House Points	Learning Mindset Be Resilient
F2	96.56%	Riley Green Riley is fantastic in PE. She is skilled in gymnastic and sports activities and supports her peers well too. Well done Riley!	Chester Palmer	Ted Brearley
Y1	92.67%	Isaac Waldron Isaac always puts 100% into every PE lesson. He tries his hardest to master the skills that we are learning and shows off his fantastic moves in dancing. Well done Isaac!	Ziggy Allington-King	Isabella Young
Y2	96.43%	Oliver Chappell Oliver works well in all PE lessons. This week, he demonstrated good sportsmanship with his peers while also helping others with their throwing skills. Well done Oliver 😊	Elliott Hattersley - Baines	Oscar Spooner
Y3	97.01%	Eva Watson This week Eva wowed us in PE with her excellent sportsmanship. She worked well with her peers and listened carefully to the instructions. Well done!	Freya Bond	Jai Sangha
Y4	99.11	Zahia Hoda This week, Zahia has really impressed us with her enthusiasm in PE. She has worked very well to complete the activities and has contributed a lot during sessions. Fantastic effort Zahia, keep it up!	Tabby Mounsey	Suraya Marriott

Y5	97.54%	Ruby Cottam Ruby showed excellent technique and control to master the push pass in hockey this week. She was very determined and it paid off! Well done, Ruby.	Oliver Kirk	Ella Greenwood
Y6	97.58%	Florence Wynn Florence showed excellent control of her body to produce a series of balances which included counter tension. Excellent.	Aemelia Knight	Bailey Nicholson

Our Awards
