[Coronation Singing](#)

Thank you to everyone who attended our Coronation singing today. It was lovely to see so many families joining us. The children have worked hard practising the words and were so excited to have such a large audience.

[Coronation DT project](#)

We have also been busy in school making Coronation crowns for the King. The children worked independently or in small groups to plan, make and evaluate their crown. The children showed brilliant teamwork and design skills and were also able to reflect upon how they could improve their crowns next time.

[Puberty Parent Workshop \(Via Zoom\)](#)

On Wednesday 17th May (4.30-5pm) Miss Fenlon will be holding an information session about the growing up and puberty lessons we deliver at the end of the summer term. It is aimed at parents with children in Years 4, 5 and 6. The session will tell you about the content of our growing up and puberty curriculum and the vocabulary that is shared.

THIS IS A REPEAT OF THE WORKSHOP WHICH WAS DELIVERED LAST YEAR.

Amazelab Workshop

On Wednesday, Year 4 participated in a science workshop. The session was focused on the children designing a sustainable house which also encourages wildlife. Individually, the children generated some fantastic ideas and will work hard over the next few weeks, working as a group to merge their ideas and create a prototype.
