[The Sleep Charity](#)

<https://thesleepcharity.org.uk/information-support/children/>

Quality sleep is essential for children's growth and development. A good night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments and less irritable. Access the link above for sleep support and advice.
