INSET Days 2022-23

Monday 5th June

Friday 21st July

Healthy Packed Lunches and snacks continued...

Healthy lunchbox idea:

Easy Mexican Quesadillas

These are a great way to use up leftover veg. Spread a wrap with tomato puree or pesto (nut free), add diced veg (peppers, tomatoes, sweetcorn & spring onions all work well) plus grated cheese, top with another wrap and toast in a hot pan, turning once the first side is toasted. Let the quesadilla cool before placing it in the fridge in the lunchbox.

Feed Your Family for Less booklet!

The booklet is aimed at anyone who is feeling the pinch of the current cost of living crisis and will help us all eat a little bit healthier whilst making our money go further.

Containing recipes, practical ideas and top tips, the booklet can be accessed for **FREE** here:

This week, our school kitchen received a
food hygiene rating of 5!

Black History and Diversity Month

Across the UK, Black History Month takes place in October every year and is an annual commemoration of the history, achievements and contributions of African heritage people in the UK. People from many different backgrounds come together during this month to celebrate the positive role of African heritage people in shaping our communities.

The aims of Black History Month (BHM) are to:

- promote knowledge and understanding (both locally and nationally) of Black History and culture;
- acknowledge and celebrate the contributions made by African heritage people to the cultural and economic development of the UK and more locally.

Alongside a predominantly black history focus, teaching and learning will also spread to other heritages in order to reflect the diverse world in which we live.

Over the next few weeks, the children at Coit will be exploring a range of significant people and themes through class work and assemblies which we will highlight in the newsletter.

Good Luck!

We wish Mrs Pickering all the best as she takes up a new role out of a school based setting and with the Multi Agency Service Team (MAST).

Parent Teacher Progress Meetings and Structured Conversations

Thank you to those who have attended meetings over the last week to discuss progress, attainment, social and emotional aspects of learning. These will continue into next week. We will send our annual questionnaire to gain your views before half term.

Football Competition

A huge thank you to Miss Holmes and Mr Murdoch who took the Y6 children to a football competition held at Thorncliffe Sports Centre. The children showed off their sportsmanship and footballing skills and were a credit to Coit.

Harvest Festival

A letter was sent earlier this week detailing our Harvest Festival which takes place next week (12th October). There are a small number of tickets left - one per family. Please complete the offer on Operoo if you are able to take up this opportunity.

Monetary donations for these charities can be made on the day or via your sQuid account. Material donations listed below can be brought to the school office:
toothbrushes, toothpaste, dried food, tins of food, dried foods, packet goods

Neighbours

We have had conversations with our neighbours regarding apples being thrown from the school field and hitting their windows. It has been explained during assembly that this kind of behaviour is not acceptable, please reinforce this message at home. Thank you.

PESSPA

On the 6th of October 2022, PESSPA went on a trip to Forge Valley high school. On the trip we took part in some sports leadership training. We went around and met new people in order to learn about what they like about sports. We learnt about how to be a good leader and work together as a team. We also created an action plan for how we are going to use our new knowledge in school. We are excited to share our new ideas and knowledge with you over the next few months! Thank you to Miss Kennedy for taking us.
