[Cannon Hall Farm Trip](#)

This week, Year 1 went to Cannon Hall Farm and had a fun filled day looking at a variety of animals, enjoying a tour and spending time with their friends. They learnt about how animals are reared, different species of farm animals and they even got to see some piglets which were one day old. The children's behaviour was impeccable and they listened well to instructions and to our tour guide. Well done, Year 1 and thank you for a lovely day!

## Easy Fundraising

Easy Fundraising - please see the attached sheet to this email as a way of raising much needed money for school. Thank you in advance.

### Pre-loved / un-named, unclaimed clothing

All items have been washed and will be available from under the parent shelter by the main pedestrian gate on Monday morning and afternoon.

## Bennett Award Revamp

Last half term, the children and staff were given an opportunity to share their ideas and discuss how the Bennett Award assembly could be improved.

The following suggestions have been made and will be implemented as a trial over the next few weeks.

- Physical 'House Point' tokens will be used so that the children can post a token in a visible container each time they are awarded one
- The Bennett Award will now be titled 'Star of The Week'
- The Star of the Week winners will participate in 'Tea at 2' where they will enjoy a drink and a biscuit with a member of staff (on Friday at 2pm) and the opportunity to participate in a fun activity such as playing a game, extra playtime or drawing.
- The lunchtime supervisors and office staff will now nominate a child who they think have displayed positive behaviours such as good manners, resilience or kindness.
- The winning house who win the most house points by the end of the term will receive an extra playtime during the last week of school.
