[Year 6 End of SATs Celebrations](#)

A huge well done to the Year 6 pupils, who have completed their SATs this week. The children were focused, showed resilience and determination. We are incredibly proud of them all. This afternoon, the children celebrated their achievements with ice-cream and pizza.

[Puberty Parent Workshop \(Via Zoom\)](#)

On Wednesday 17th May (4.30-5pm) Miss Fenlon will be holding an information session about the growing up and puberty lessons we deliver at the end of the summer term. It is aimed at parents with children in Years 4, 5 and 6. The session will tell you about the content of our growing up and puberty curriculum and the vocabulary that is shared.

THIS IS A REPEAT OF THE WORKSHOP WHICH WAS DELIVERED LAST YEAR.

[Mystery Readers](#)

A huge thank you to the mystery readers who have visited our classrooms so far. The children have really enjoyed the opportunity of having stories read to them by different people and have enjoyed the excitement of not knowing who the mystery person will be. If you are interested in being a mystery reader yourself, then please email the class teacher with your available dates and times and the book you would like to read.
