This week, we started our Active Travel Challenge which encourages children to make an active journey to school at least once a week for a month.

The class who made the most active journeys to school this week is Year 2.

**1st YEAR 2**

79% of 140 total possible trips recorded, 86% of them were active.

In comparison to other participating Sheffield schools, we are ranked 6th.

Well done, everyone!

## What Has Been Happening This Week?

On Monday, some of our Ks2 classes took part in a Goalball taster session. Goalball is a specifically designed game for the visually impaired. See below for more information about the rules and how it supports people with visual impairments.

On Monday, Y6 visited the Crucial Crew experience where they learnt about keeping safe in modern society. The children completed scenarios and talked to emergency services staff about crimes such as arson, knife crime and child criminal exploitation. A fantastic visit enjoyed by everyone.

On Tuesday, Y5 and Y6 pupils visited Cutlers Hall as part of their 'Better Learners, Better Workers' project. There they met the current Master Cutler and his wife, had a tour of the historic hall and completed design activities to help them understand Sheffield's industrial heritage.

On Wednesday, Y5 and Y6 were invited to watch Ecclesfield Comprehensive's performance of Grease. The children came back inspired and excited about the performing arts opportunities on offer in the future.
