SEND Parent Coffee Afternoon

Friday 22nd March at 2pm

Young Voices

Congratulations to all the children who attended Young Voices as part of our Coit choir. The children were lucky enough to take part in one of England's biggest choirs with over 4000 children attending. The children had a wonderful day and had the opportunity to see various artists perform including 13-year-old drummer Nandi Bushell and street dance group Urban Strides.

We are so proud of our children; they joined in with big smiles on their faces and their behaviour was impeccable.

A huge thank you to all the staff who helped out during the event and who completed after school practises.

World Book Day Thursday 7th March

To celebrate World Book Day, we would love to see wooden spoons decorated as your favourite characters out of a book. The spoons will be displayed in the hall for all the classes to see and can be brought into school from 8.10am on 7.3.24. You might even want to bring in the book that your favourite character appears in.

If pupils wish to dress up as a book character then they can. If pupils do not dress up then they must wear their school uniform as usual.

Anti-Discrimination Assembly

This week, our key stage 2 pupils participated in an Anti-Discrimination assembly. We discussed the terms discrimination, prejudice and stereotype and the impact they can have on ourselves and the wider community. The children showed a good understanding and contributed some respectful and thought-provoking ideas.

Balance Bikes

Today, our F2 and Y1 pupils had an active day participating in a balance bike workshop. They learnt a range of skills and progress in balance and movement was evident during the session. The children were enthusiastic and engaged throughout! Well done!

Active Travel Challenge Update

The class who made the most active journeys to school this week is Year 6.

In comparison to other participating Sheffield schools, we are ranked 3rd.

Well done, everyone!

Eco Warriors

On Wednesday, our Eco Warriors met with Jim Shaw from the Active Travel Challenge. The children received training and were awarded a 'WOW Ambassador' badge. They now have a new role within class which includes them supporting their peers when logging their journey to school. The children were engaged and asked some interesting questions.
