10.7.24 Parent Transition Meetings  
1<sup>st</sup>/3<sup>rd</sup>/10<sup>th</sup>.7.24 Structured Conversations (transition)  
18.7.24 Y6 school play  
18.7.24 Y6 Leaver's Assembly 8pm (after the school play)
- SEND Parent Coffee Afternoons  
Friday 17th May 2pm  
Friday 21st June 2pm  
Friday 12st July 2pm

**Summer Ordering School Uniform**

Uniform orders need to be made by 16<sup>th</sup> June 2024 for GUARANTEED delivery to school before the end of the school year. Orders made after this date will try to be fulfilled where possible.

## Events this Week

### Amazelab

On Monday, Ks1 and Ks2 participated in a chemistry workshop. Pupils watched as Leonie from Amazelab mixed different liquids and created various reactions. The children were engaged and eager to ask questions.

### Y2 and Y5 Trip to the Mosque

On Tuesday, our Y2 and Y5 pupils went to visit a Mosque to support their understanding of the Islamic religion. The children enjoyed the firsthand experience of being in a Muslim place of worship. Our pupils listened well, were respectful and shared their knowledge from previous RE lessons.

### Arches Dance Festival

On Thursday, some of our Year 5 and Year 6 children took part in a Dance Festival at the Octagon Centre in Sheffield. The children were first up on stage and performed their dance brilliantly in front of hundreds of people. We are so proud of them!

### Parental Engagement

A huge thank you to the F2 and Y5 parents who joined us in school to this week to celebrate and discuss their children's learning. Year 5 were incredibly proud to share their learning which included Art, DT and writing. Feedback from our F2 parents was positive with many commenting how 'informative' and 'helpful' the session was.

Thank you all for your continued support!

## Active Travel Challenge Update

The class who made the most active journeys to school are Year 1.

In comparison to other participating Sheffield schools, we are 2nd and compared to other schools nationwide, we are ranked 12th.

## SSFA- Supporting Separated Families Alliance

<https://www.ssfasheffield.org.uk/>

The above link offers advice and support to families experiencing separation or divorce.

## Bench Designing Competition

The Co-op are supporting a community event for the 'D Day 80<sup>th</sup> Anniversary' at Ecclesfield Park. The main event is happening on Thursday 6<sup>th</sup> June 2024 and members of the community are coming together to celebrate the 80<sup>th</sup> Anniversary.

As part of the celebration, our pupils are invited to participate in a 'design a bench' competition. The theme of the bench is what D-Day means to them and the importance of their local community. The children will bring home a competition entry form and if they wish to take part then completed designs need to be submitted to the class teacher by Friday 3<sup>rd</sup> May.

Previous design examples:

Class	Weekly Attendance	STAR OF THE WEEK Who has been our star scientist this week?	House Points	Learning Mindset Be Co-operative
F2	94.48%	Bella Loxley Bella always listens so attentively and learns with growing confidence, skill and enthusiasm. What an amazing effort Bella! We are extremely proud of you.	Harry Fisher	Milani Ffrench
Y1	98.39%	McKenzie Cooper McKenzie showed brilliant enthusiasm in our science workshop this week. He was excited to see the different reactions during the experiments. McKenzie also did a great job identifying carnivores, herbivores and omnivores in our science lesson. Well done McKenzie!	Quinn Bailey	Ryker Hancox
Y2	97.14%	Charlie Short Charlie was extremely enthusiastic and attentive during the science workshop on Tuesday. He clearly has a passion for science and has a wonderful understanding across a range of topics. Charlie knows an incredible amount of facts and is keen to share them with his peers. Keep up the great work Charlie! 😊	Charlotte Brown	Edie Binnion
Y3	95.86%	Abigail Pearce Abigail has been a fantastic scientist this week! She has used lots of key words in her explanations and always behaves sensibly during experiments.	Matilda Judge	Bobby Wright
Y4	99.33%	Millie Rose Ball Millie has really impressed us with her engagement and enthusiasm in science. She listens to the class	Kaleb Dhatt	Iris Kirkman Skerritt

		discussions and contributes often. Keep it up Millie!		
Y5	92.67%	Liyahna Baz Liyahna has worked really hard in Science this week. She has answered lots of questions and made some great predictions and conclusions about our investigations into water resistance and friction. Keep it up, Liyahna!	Suraya Marriott	Florence Smith
Y6	98.67%	Jessica Coe Jess has a very scientific mind and will always ask important questions to get to the vital information, even when not studying Science. Superb!	Rowan Potts	Drew Edwards

Office Award	Lucas Bailey
Lunchtime Supervisor Award	Thomas Ellison

#### Other Awards

Eva Watson and Willow Ambler Tilson has passed a stage in swimming.

Lily Emmett and Amelia Taylor competed in gymnastics competition.

Freya Bond has competed in a horse-riding competition.

If you have any awards you would like to share please email Miss Fenlon
