Events this Week

Trip to Kelham Island

Year 3 and Year 5 enjoyed a joint trip to Kelham Island Museum on Wednesday. The children were fascinated by all the exhibits on show and engaged enthusiastically with workshops on Pulleys, Levers and Gears (Y3) and The Steel City (Y5). All pupils represented Coit brilliantly and learnt lots!

Better Learners, Better Workers

Y5 & Y6 enjoyed an activity morning on Thursday when they were visited by experts from British Glass who talked about sustainability. The children then created some amazing environmentally friendly cities to show off what they had learnt. We are all looking forward to our graduation from the Better Learners, Better Workers program at Cutler's Hall on 8th July.

Y1 Celebration of Work

Thank you to everyone who attended the Y1 Celebration of Work this week. The children loved showing off their hard work and were so excited to have members of their family in school.

Y6 Road Safety

Y6 worked with visitors today to discuss road safety. As children leave primary school and make the transition to secondary, they take on greater independence when walking to and from school. Children learnt how to be seen, be safe and make sensible choices as pedestrians.

Active Travel Challenge Update

The class that made the most active journeys to school is Year 2.

In comparison to other participating Sheffield schools, we are 1st and compared to other schools nationwide, we are ranked 9th

Well done, everyone!
