	24.10.24 3.10pm	F2 Phonics Workshop

## Harvest Festival

A huge thank you to those of you who attended our Harvest Festival on Thursday and to those who donated to Baby Basics.

We were so proud of the children who spoke, sung and showcased their learning in front of a full audience. I think you will all agree that our youngest pupils in Reception did a super job of their first performance at Coit.

Well done to everyone involved!

## Events this Week

### Y2 Library Trip

Another class had the opportunity to visit Chapeltown Library this week and look at the wonderful variety of books that are available to borrow. An extra thank you to the parents who volunteered to help. These trips could not go ahead with your support.

### Anti-Racism Workshops

Year 4, 5 and 6 participated in an 'Anti-Racism Workshop' led by SWFC this week. Some children were able to build upon their knowledge from the trip they attended the previous week and others shared thoughtful answers and asked provoking questions. This is just another example of how well our pupils represent their school.

### Y5/Y6 Football Tournament

On Tuesday, children from Year 5 and 6 competed in a football tournament at Thorncliffe against other local schools. We are delighted to announce that the team won the tournament having won every single match they played. The team scored a whopping 23 goals across 6 matches! We are extremely proud of the sportsmanship they demonstrated throughout.

## Flu Vaccinations

**If your child has outstanding vaccinations, you can attend one of the following drop-in clinics:**

Saturday 26/10/2024	Concord sports centre, S5 6AE 9:00 - 13:00

**For more dates and info, please follow the link and visit our website:**

<https://www.sheffieldchildrens.nhs.uk/services/school-nursing/school-age-immunisation-service/>

**These are all drop-in clinics. No appointment is necessary.**

**Thanks  
School Aged Immunisation Service**

## Bike Skill Sessions

  FREE OCTOBER HALF TERM SESSIONS ARE NOW OPEN TO BOOK    from Balance Bikes to BMX skills and Learn to Ride it's all happening at Concord Park track this Autumn    

We are pleased to announce Access Sport October half term sessions here at Concord Park are now launched on Eventbrite.

Thursday 31st October

Location: MUGA/ Basketball Court, Concord Leisure Centre, Shiregreen Lane, Sheffield S5 6AE - see link for details on parking and access.

 Balance Bike Session 11am - 11.45am  To book follow the link <https://www.eventbrite.com/e/1047114185717?aff=oddtcreator>

These Balance Bike Sessions are for new and experienced balance bikers ages 2 years up. Balance bikes and protective equipment such as helmets, arm pads, knee pads and gloves will be provided if you don't have your own. Lots of fun, games, learning development on two wheels.

 Learn to Ride Session 12.15pm - 1.15pm  To book follow the link <https://www.eventbrite.com/e/1047133523557?aff=oddtcreator>

Age: there is no minimum age or maximum age for this session it's all about the rider's ability. Our Access sport cycling coaches will be there to support riders to get pedalling. We focus on building confidence and skills such as pedalling unaided, breaking and cornering. For this session we ask you to bring your own bike if you can as we only have limited bikes of different sizes, so if you can bring your own and our coach will give it a quick safety check. We provided all safety wear if needed (helmet, arm pads, knee pads and gloves) – this session will be on the Learn to Ride area at Hillsborough Park.

 BMX Skills Session age 7+  To book follow the link <https://www.eventbrite.com/e/1047141126297?aff=oddtcreator>

Aimed at ages 7+ and or very confident younger riders. Learn how ride the pump track, the sessions focus on building confidence, level pedal stood riding, freewheeling, cornering, pumping and jumping – BMX bikes and safety wear provided if needed – this session will be carried out on the flat and is for riders that can confidently ride a bike.

All sessions are fully funded by Access Sport and supported by Sheffield City Council and run by qualified fully insured Access Sport Coaches.

Class	Weekly Attendance	Star of the Week Who has shown good knowledge in science?	Dojo Points	Learning Mindset Be Kind
F2	94%	<p>Winnie Simpson</p> <p>Winnie loves to make observations and always has such wonderful and descriptive vocabulary. As we have talked of seasonal change she loves to join in 😊</p>	Teddy Hanson	Hugo Churchman

Y1	96%	Louie Coldwell Louie has shown great understanding in science. He has been able to spot what materials an object is made from and discuss it's properties! Well done Louie!	Summer-Rose Crapper	Grace Kevanhu
