Events this Week

Y5 and Y6 Online Safety Session

We were spoken to by visitors from South Yorkshire Police, who shared their expertise and knowledge about online safety matters that are currently affecting children of Y5-Y6 age and that may affect them in the coming years. This engaging talk covered areas such as: social media, security settings, safety when gaming and inappropriate contact online. As parents and carers, if you wish to learn more about keeping your children safe, the police recommended the following site: www.internetmatters.org.uk

Y5 Library Trip

Our pupils had another informative and enjoyable trip to Chapeltown Library this week. It was lovely to see them exploring the range of chapter books the library has and pupils were excited to have the opportunity to take books home.

F2 and Y1 Oral Hygiene Workshop

Our F2 and Y1 pupils learnt the importance of oral hygiene this week and the importance of looking after our teeth. They were engaged in the session and gave some really accurate and detailed answers.

Y5 and Y6 Girls' Football Tournament

On Tuesday, 10 pupils from Year 5 and Year 6 took part in a football tournament at Thorncliffe. Mrs Eagleton, Miss Kennedy and Mrs Waller-Smith were blown away by the children's kindness towards each other and other schools, their resilience and their teamwork. Well done girls!

Assemblies

'Food for Life' came into school this week and talked to the children about 'sugar' and the importance of limiting our sugar intake and how we can enjoy a balanced diet.

Disney on Ice Competition

Sheffield City Trust Schools are giving one pupil the opportunity to win tickets to watch Disney on Ice on Wednesday 18th December at 6.30pm. The ticket will admit four people.

In order to enter the competition, you need to design your own Disney character on an A4 piece of paper and write a short paragraph or label the picture to tell us more about your character.

Entries need to be handed into Miss Fenlon by Friday 15th November and winners will be announced the following week.

Our Wellbeing Warriors will choose the winning design.

Children in Need Friday 15th November

This year, we will be supporting BBC Children in Need and helping to raise money and awareness for this amazing charity.

In order to do this, we are asking for children to wear something that makes them smile.

They could dress in pyjamas, spots, come as a superhero, wear fancy dress or simply wear their favourite outfit.

Please make sure that whatever children wear is suitable for school and that children will still be able to sit comfortably and participate in play and lunch breaks.

Please make a donation via Parent Pay after the half term holiday.
