St Luke's Used Toy Donation

St Luke's Hospice need over £14 million each year to cover their running costs and only 25% of this is provided by the government.

To support them, we would like you to donate any unwanted toys (new or used) so that they can be sold in their numerous shops across Sheffield.

St Luke's held an assembly this week with the help of our 'Charity Group' who spoke clearly and confidentially in front of the school sharing information about the charity.

Toy donations can be brought into school from until Friday 6th December.

They will then be distributed across shops in Sheffield.

Many thanks for your continued support.

Events this Week

Year 2 Reading Workshop

Thank you to the parents and grandparents who were able to attend the workshop this week. It was clear that you enjoyed having the opportunity to read and complete some of the activities that we shared.

Year 3 Reading Workshop

A big thanks to Y3 parents and grandparents for such a big turn out for our workshop this week. The children enjoyed reading with you and together, we took part in some good discussion about the River Nile.

Ice Curling

As always, our pupils represented Coit incredibly well and enjoyed an opportunity to participate in curling and learn more about the rules and skills involved. Well done to everyone!

Dragonball

Thank you to everyone who participated in Dragonball this week! It was lovely to see children enjoying this lesser known sport and learning more about what is involved.

Toileting Clinic

The school nurses will be in school on Friday 13th December from 2.15pm. They will show a presentation around supporting your child with toileting including constipation, day wetting, night wetting and getting your child out of nappies or pull ups. The nurses will have time to speak to parents individually after the presentation and will stay after the end of school to allow parents to pick their children up and come back to them if necessary.

Christmas Card Post Box

From Monday 9th December, children are invited to bring their Christmas cards in and post them in the post box outside our Tranquillity Classroom. The pupils who attend the tranquillity provision will hand them out to the various classes. Please make sure names and the year group is written clearly on the envelope.
