22.1.25 Y2 Maths Workshop 8.40am-9.30am

Events this Week

Year 5 Reading Workshop

Thank you to everyone who was able to attend the 'Y5 Reading Workshop' this week. The feedback was really positive and we are glad that we have been able to support you with reading at home and sharing what reading looks like in school.

Music Performance Assembly

A huge well done to the children who receive 1:1 music tuition and who performed in front of family members this week. It was a great way to show case all your hard work.

Bauble Workshop

The festivities were kick started this week with whole school bauble decorating. The children loved this creative session! The baubles are looking great and ready to be placed on the Christmas Tree.

Christmas Card Post Box

From Monday 9th December, children are invited to bring their Christmas cards in and post them in the post box outside our Tranquillity Classroom. The pupils who attend the tranquillity provision will hand them out to the various classes. Please make sure names and the year group is written clearly on the envelope.

Toy Donations

Thank you for the generous toy donations which were collected this week by St Luke's Hospice. We are no longer accepting any more donations.

Toileting Clinic

The school nurses will be in school on Friday 13th December from 2.15pm. They will show a presentation around supporting your child with toileting including constipation, day wetting, night wetting and getting your child out of nappies or pull ups. The nurses will have time to speak to parents individually after the presentation and will stay after the end of school to allow parents to pick children up and come back to them if necessary.

Christmas Fayre Donations

If you are able to, please donate one of the following depending on the class your child is in. If you have children in more than one class, please do not feel obliged to donate more than once.

Items can be given to the class teacher or handed in at reception. Please ensure alcoholic donations are handed into the office by an adult. Any donations need to be in school by Monday 16th December.

F2	Items that are green
Y1	Items that are blue
Y2	Items that are red
Y3	Items that are purple
Y4	Items that are gold
Y5	Items that are white or silver
