Believe it or not, socks get people talking!

On 21 March, choose some socks that are going to get noticed!

They might be mismatched socks or your boldest and most colourful socks, whatever takes your fancy!

The idea is to start a conversation, so when people ask you about your socks, you can tell them, "I'm wearing them to raise awareness of Down syndrome".

Then, you can tell them everything you want them to know about Down syndrome.

This Week

Year 1 and Year 4 Parent Workshops

Thank you to all the family members who attended our workshops this week. The feedback was really positive, and it was lovely to give you all a snapshot of what the children are doing at school.

World Book Day

On Thursday, the children were treated to a performance of Goldilocks and the Three bears which they thoroughly enjoyed. We saw an array of costumes and children sharing their love of reading. Teachers also took part in a class swap and read their favourite story to a different class!

Y6 Library Trip

Year 6 visited the library this week and engaged with various texts showing a passion for reading. Their behaviour was exemplary, and they were a credit to Coit.

Y2 Archie Fest

Year 2 participated in a range of activities at Concord on Friday. They loved the opportunity to play a variety of different games and showed their excellent teamwork skills. Well done!

Creative Easter Egg Competition Wednesday 16th April

On Wednesday 16th April, children are invited to decorate an egg and bring it into school. The winning eggs will be judged by our Y6 Head Boy and Head Girl. Eggs can be brought into the hall from 8.20am on the morning of the 16th and need to be collected after school.
