CPG Open Evening 17.9.25

At 3.15pm on Wednesday 17th September, I will be meeting with the current CPG to share with parents and families the work they do and how they support school.

We would love for as many people to attend as possible so that we can share the great work they do and so we can recruit some new CPG members so that what they do is sustainable and can continue.

Please meet either outside the Year 4 classroom or in the office.

If you cannot attend but are interested in being part of the CPG then please email hfenlon@coit.sheffield.sch.uk

Events this Week

Bikeability

Well done to our Y6 pupils who participated in Bikeability this week. They listened well and showed their maturity when cycling both inside and outside the school grounds. Well done to everyone involved!

Book Fair and Roald Dahl Day

It was lovely to see our pupils excited when perusing the books at our annual book fair. It created lots of discussion about different authors and genres. We also had a wonderful time seeing the children dressed up as Roald Dahl characters or wearing yellow which was Roald Dahl's favourite colour.

Orienteering Events

2025 / 26 Saturday Series

incorporating the SFSS Schools' League

Orienteering is a challenging outdoor adventure sport. The aim is to navigate between control points marked on an orienteering map and decide the best route to complete the course in the quickest time. It does not matter how young, old or fit you are, as you can run, walk or jog the course at your own pace.

These events are specifically aimed to introduce people of all ages to the sport and also incorporate the SFSS schools' league. However all our events have courses suitable for all abilities - see the website for more details. No need to pre-enter: just turn up on the day. Start times from 12.30pm - 3pm.
