Events this Week

Y2 Reading/Y6 Maths/F2 Phonics Workshops

A huge thank you to all the family members who attended the various curriculum workshops in school this week. It is lovely to give you a flavour of what we teach and to share strategies to enable you to support your child at home.

Whole School Skipping Workshops

This week, every class participated in a skipping workshop. In a short space of time, we witnessed skill sets improving along with the children's confidence. Well done to everyone involved!

Yorkshire Water Workshops

On Thursday, Y3, Y4 and Y6 participated in a workshop delivered by Yorkshire Water. 'Making Water Safe to Drink' was the focus of the workshops and involved practical activities to enable the children to understand the water cleaning process.

Children in Need

To celebrate Children in Need, the children participated in a Pudsey Bear hunt which they thoroughly enjoyed.
