Christmas Performances

We felt privileged to share the Ks1 and Ks2 performances with you this week. The feedback we received confirmed what we already know about our talented and resilient pupils. After weeks of rehearsals, it was lovely to see all the hard work pay off and the audience enjoying our singing, acting and dancing. We certainly have some very talented children at Coit.

Some of our raffle prize winners have already been contacted and we will make contact about any outstanding prizes in January.

THANK
YOU!

As we come to the end of 2025, we wanted to take some time to reflect upon this academic year. So far, we have enjoyed 12 school trips, 6 workshops from external providers, 6 performances, 11 parental workshops, 5 school council meetings, 1 disco and 1 Reindeer Run. These events bring learning to life and provide invaluable experiences for our children. They could not go ahead without thoughtful planning from staff and without the help of volunteers.

We also know that Christmas comes with a lot of requests for 'extras' such as donations, costumes and snacks. We thank you all for your generosity and always being willing to support the extra experiences that we plan for the children.

A huge thank you for your continued support and kind words. We wish you all a Merry Christmas and a healthy and Happy 2026!

Santa's Visit

The screams around could be heard for miles when our very own '6-7 Santa' delivered presents to every child in school. Frustratingly for the teachers, shouts of 6-7 continued for a long time after!

Thank you to the CPG for the gift donations and to Kathrin (CPG) and her work colleagues for wrapping all 210 presents!
