Events this Week

Y5/Y6 Football

A huge well done to the Y5 and Y6 girls who participated in a football tournament this week at Thorncliffe. It was lovely to see the girls working well as a team and applying their football skills to a competition format. Well done, girls!

Harvest Assembly

Mikey Gilmour shared the meaning of Harvest with our pupils this week with a very interactive assembly. The children were able to discuss why we have Harvest and the importance of being grateful and sharing with others.

Y5 Clarence House Trip

Our Y5 pupils extended their understanding of the work St Luke's do in our local community with a visit to their Clarence House facility this week. The children participated in activities similar to the ones that patients do and had a tour of the building and grounds.

Y3/Y4 Jubilee Champ Trophy

Our Y3 and Y4 pupils impressed us with their sporting ability and teamwork skills this week at the Jubilee Sports Club. They conducted themselves incredibly well and were a credit to Coit.

'Design a Kit' Competition

Sheffield United's kit manufacturer Errea are offering pupils a chance to design their own school football kit. If you are selected as a winner of the "Design a Kit" competition, you will see your design come to life, as it will be created by Errea and a full set sent to the winner's school.

A photo of previous winning designs is below...

If you would like to participate in the competition then please ask your class teacher for a template. Entries must be returned to your class teacher by Friday 28th November.

Please put your child's first name and only the first letter of their surname on any completed entries.
