## Events this Week

### Y2 Archie Fest

This week, Year 2 visited Concord and participated in Archie Fest. The children enjoyed trialling various games and activities and showed resilience and super listening skills. Well done!

### Science Week

Science Week was celebrated on Thursday, with each class participating in and observing several experiments. They showed just how curious they are, asking questions and creating excellent discussion with their classmates.

### Y2 Family Assembly

A busy week for our Y2 pupils who also performed their family assembly on Wednesday. They showcased their learning brilliantly and spoke with confidence.

### Ecclesfield Parish Council Trip

On Monday, our 12 school councillors visited Ecclesfield Parish Council and spoke to them about their role in the community. The children chaired their own meeting and spoke articulately and with confidence.

## Easter Egg Competition

On Thursday 26th March, the children are invited to create an egg scene. These can be brought into school from 8.15am on the day.

## Friday 20<sup>th</sup> March-Red Nose Day

Children are invited to share a joke with their classmates. This can be written down on a piece of paper to aid memory if needs be. The two winning jokes from each class will be shared in assembly.

We will be completing a Red Nose Day hunt around school, and some classes will be designing their very own noses to raise awareness of the charity.
