Easter Egg Competition

On Thursday 26th March, the children are invited to create an egg scene. These can be brought into school from 8.15am on the day.

Friday 20th March-Red Nose Day

Children are invited to share a joke with their classmates. This can be written down on a piece of paper to aid memory if needs be. The two winning jokes from each class will be shared in assembly.

We will be completing a Red Nose Day hunt around school, and some classes will be designing their very own noses to raise awareness of the charity.

Booster Theatre Company

KS1 and KS2 both enjoyed an engaging performance from the Booster Cushion Theatre Company.

World Book Day

The children looked fabulous in their costumes today and we have had a great time celebrating books and reading.
