## Scout Leader Recruitment-Please see the message below from 82<sup>nd</sup> Chapeltown Scout Group

After 5 wonderful years leading our Scout section, our Team Leader, Jason, is stepping back to focus on his pastoral work. We want to say a huge THANK YOU to Jason for his dedication, especially for steering the group through the pandemic and helping so many young people gain their camping legs!

Without a leader, we face the heart breaking reality of having to pause the section.

Could it be you? You don't need to be a survival expert like Bear Grylls! You can make this group your own. New Ideas, build your own team to enhance the current one!

We provide full training and have a supportive team ready to help including a Scouts Admin support that will let you focus more on the fun!

We are open to moving the Scout meeting to a different weekday or adjusting the times to fit your schedule.

Priority Placement: If you have a child on the waiting list, volunteering guarantees them a spot in Beavers, Cubs, or Scouts immediately!  
Interested? Drop us a message or email for an informal chat.

## Focus Authors

To support the 'Reading for Pleasure' work that we do in school, we will be studying and sharing texts by different authors. Our first focus authors are-

Ks1-Julia Donaldson

Ks2-Jeff Kinney

Assemblies, shared reads and English and reading lessons will be used to promote reading for pleasure and to share different texts and facts about the authors. We hope to inspire our pupils to read and take enjoyment from these incredible stories. Please share any photos with your class teacher of your children reading texts or completing activities based on these authors.

## Parents' Evening

Parents' Evenings and Structured Conversations appointments will be available on School Cloud from 6pm on 12.1.26 and bookings will close on 2.2.26 at noon. Please make sure you have access to the School Gateway app for easier booking. Contact the office if you need any help with this.
