Events this Week

F2 Cannon Hall Farm

The F2 team were so proud of all the children who attended our trip on Wednesday. They were respectful and sensible whilst moving around the farm and really enjoyed seeing all the animals. The children listened to the instructions given and showed us just how far they have come since starting school.

Y2 Chatsworth House

Despite some showers Y2 had a wonderful day exploring the grounds and learning about pollination. The children behaved beautifully and were a credit to Coit.

Y5 National Space Centre

This week, Year 5 visited the National Space Centre in Leicester to coincide with their learning in Science. The children enjoyed learning more about space through exploring the various exhibits and watching a planetarium show. Our children were kind and respectful throughout.

Well done, Year 5!

Thank you to all our parent helpers who supported the trips this week.
