'Back to School' Sessions

Next week sees the start of our 'transition' sessions back to school for children who have not been able to attend during the lockdown period. You should now be aware of when your child's allotted time-slot is and have received a booklet containing the relevant information.

Please do read the booklet carefully with your child/ren as some of the routines are likely to still be in place in September, particularly when it comes to dropping your child off and collecting them.

We are really looking forward to having the children back in school and seeing them in person!

Sports' Day!

This year we are holding our first ever virtual Sports' Day!

Choose a day next week to complete the 7 challenges (please see the separate email which gives you further details of the activities).

Then, email your scores in to your class teacher (using the email addresses on the left) by Monday 13th July.

Each house's scores will then be collated and Mrs Wright will announce the winning house!

Good luck!
