### Home Learning Ideas

Mr Watson has sent out some information regarding the 'Summer Reading Challenge' in an email earlier today. Please see the email for further information.

The Sheffield Music Hub is a great resource for signposting parents/carers to various musical events across Sheffield. At the moment, many of the events will take place virtually so can be accessed from your own home...

### Parent Transition Talks

Thank you to the many parents and carers who attended the parent meetings this week (via Zoom). There was a very high attendance and we really appreciate the support.

The meetings were a great chance for the new teachers to meet the parents of their up-coming classes and to talk through the arrangements for September.

If you were unable to attend, please make contact with the relevant teacher using the email addresses to the left.
