Teaching and Learning

Welcome back!

New themes of learning have been started in all year groups—please see the website for further details.

Y4, Y5 and Y6 have taken part in two sporting events already this week:

The Y4 Basketball Team gave an outstanding performance on Tuesday. They won three games, a semi-final and an area final! They did this by demonstrating skill, resilience, determination and above all, amazing teamwork. They go on to compete in the regional finals. We are very proud of them!

On Thursday evening, members of Y5 and Y6 took part in a dodgeball competition at Forge Valley School. They played brilliantly, got stuck in and came second overall—well done!

Learning Mindset: RESPECT

Our new learning mindset was introduced through a whole school assembly this week. Over the next term, we will consider how we can demonstrate respect for ourselves, for others, for animals and towards the environment.

This week's winners are; Ethan Spooner, Kyle Hunter, Isla Batty, Esme Turnbull, Saul Mayor, Stella Fong & Roxy Myers.

Celebrating Success-This Week's Awards

Harley Guest has badges and a certificate from Beavers. Olivia Taylor and Amelia Taylor have swimming certificates.

Well done to all.

Breakfast Club

Parents bringing their children to Breakfast Club should bring them through the main entrance NOT the car park due to safety concerns. This will start from Monday 13th January. Thank you.
