Updates for Parents

Please be assured that we are working extremely hard with a range of educational professionals to determine the plans and actions necessary for a gradual re-opening of school. If you are a critical worker who has not registered as one with us please send an email to enquiries@coit.sheffield.sch.uk The list of workers can be found on the following link; <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Home Learning

Well done to all the pupils who are working so hard at home. Thank you for the continued support on all parts; we acknowledge just how much effort it is to complete home learning when there are other factors to consider at the moment. So a big well done to all.

Some further ideas for activities which can be completed at home...

- Pete McKee (the Sheffield-based artist) has published some tutorial videos on YouTube. Learn how to draw cartoon faces, animals and superheroes.

Follow this link to find the first episode: <https://www.youtube.com/watch?v=q8f8ag58jDs>

- The National Literacy Trust have also launched 'The Book of Hope' which is a collection of poems and short stories written by a range of children's authors. This lovely book has been dedicated to everyone who works in the NHS and is free to access here: <https://literacytrust.org.uk/family-zone/9-12/book-hopes/>

If you need help or further advice regarding any aspect of home learning, from engagement to methods we use, then please contact a member of staff on the usual school number, email or use the mobile numbers below. We are more than happy to help.

Google Classroom Home learning Champions...

Archie Deakin - Archie produces some amazing pieces of work on a weekly basis. His writing, reading and creativity has not gone unnoticed. Thank you for your continued time and support. Well done, Archie! Keep up the fabulous work!	F2
Lily Wilson - Lily week upon week has completed some fantastic home learning. We are really proud! I have loved seeing her spaghetti bolognese masterpiece; it looked delicious!	Y1
Thomas Ellison - Thomas is continuing to show amazing home learning. He completes the work set to a high standard and I have loved receiving additional work and photographs of the practical work Thomas has done! Keep up the great work!	Y2
Reuben Pearson - Reuben has been emailing some fantastic work to school. This includes a slow motion film and a super science experiment. Well done!	Y3
Daisy Brooks - Daisy has been producing some outstanding work at home. As well as being very creative and active, she has been working hard on her maths and English, too. Her video diary was absolutely fantastic and she is always posting happy, positive messages on Google Classroom. Daisy, you are awesome!	Y4
Destiny Spivey - Destiny has been completing such fantastic work while we've been off school. I have been so impressed with the standard of her work and the amount of Maths she has been completing. I also know that she is learning other skills while being off school such as baking and learning to play the keyboard. We are so proud of you Destiny!	Y5
All of Y6 - This week would've been SATs week and we know a lot of you have been disappointed that you haven't been given the chance to show what you are capable of and have learned. However, we know all of those things and are so proud of how hard you have worked this year and are continuing to work. Furthermore, we will make sure the staff at your new secondary school get to know what an amazing, talented, clever and hard working bunch you are Superstars all round!	Y6
