Home Learning

Now that we have the technology, this week has seen the start of a timetable regarding real-time Zoom 'blended' learning. We have been really pleased to see almost a full complement of pupils at the allotted times and look forward to the second round next week! Pupils and parents have given very positive feedback.

Details have been sent to you this week regarding Sheffield Virtual School Games to be held next week. Please get involved as part of home learning if you are able to. A similar event will happen later next month for a 'Virtual Sports Day'.
