Teaching and Learning

Thank you to the parents who have been able to attend the academic workshops held in F2 (writing) and Y4 (maths) this week. The workshops are intended to provide a picture of the learning strategies that are used in school in order to replicate this for home use. Feedback was very positive.

A letter will be sent early next week regarding the school Christmas plays which are now being rehearsed. We are hoping to facilitate the purchase of tickets via your sQuid account. Due to fire regulations we can only allocate 2 tickets per child according to their Key Stage.

Assemblies have taken place this week on Road Safety and Stranger Danger. Please ask your child / children about these.

The whole school has taken part in a Design and Technology week based on their themed learning. Please see the website for further details of planned learning for each year group and also class blogs which are updated termly.
