Home Learning

The Zoom lessons for the children who have not yet been able to return to school have really taken off over the past two weeks and we are really proud of how well our pupils are adapting to this new way of working. In all classes, there has been an extremely high attendance to the sessions and the teachers have seen some great work as a result. Parent feedback has also been very positive. Thank you.

An updated timetable for the Zoom lessons for the next week has been forwarded alongside this newsletter. Thank you for your patience with this; we have adapted the timings according to parental feedback and also the ever-changing needs of our children.

Additional information

Y6, F2 and Y1 have all made an excellent transition back to school. Well done to all pupils for their sensible and resilient approach. We are very proud of you.

We are very pleased to be able to invite our pupils from Y2-Y5 back into school for some sessions before the summer. This will still have to be in smaller 'bubbles' but at least will give the children a chance to set foot into school after such a long time away. We are hoping that this will ease some of the anxieties before September. Please see the separate information regarding times/days.
