Teaching and Learning

We had a fantastic turn out of parents and grandparents who were able to attend the Y1 assembly on Thursday morning in which they shared their knowledge on their transport topic.

Thank you to the parents who attended Y5's Maths Workshop on Wednesday. The children enjoyed challenging you with their arithmetic questions! Parent feedback indicated that it was useful to look at different sorts of mathematical questions.

Handball

We were lucky enough to be able to enter two teams into the Arches Y5/6 Handball competition on Tuesday evening. All the children should be congratulated for playing exceptionally well and being brilliant representatives for our school, even when they had to play against each other! Both teams won a number of games but the Year 6 team was undefeated and will progress through to the next round. Well done to all the children, with special mentions for Beth Sanderson and Harry Grubb who received awards for displaying teamwork and respect for both the opposition and the officials.

Learning Mindset: RESPECT

Our new learning mindset is respect—for ourselves, for others, for animals and towards the environment. This week's winners are; Freya Bond, Tabitha Mounsey, Zach Judge, Lara Jannasch, Oz Hiley, Freya Creswick & Morgan Hunter.
