National Childrens' Mental Health Week

The theme throughout the week for this national event is aptly named 'Find Your Brave'. Teachers will be referring to this in their plans for next week. The following link offers a variety of valuable activities that you can do at home too. We would like to encourage all pupils to dress in their favourite clothes on Friday 5<sup>th</sup> February as a happy celebration of the week!

Healthy Bodies, Healthy Minds!

We have started to deliver to every one of our children a piece of PE equipment to encourage being active at some point during the day.

We hope that you enjoy your equipment and let your teachers know if you are using it. We look forward to hearing from you.
