

Weekly Achievement Letter and re-opening information

Friday 5th March 2021

[World Book Week](#)

Further to the information sent on Monday 1st March, we are celebrating the return to school for all pupils with a focus on World Book Week. Please see the website for a reminder of the details.
 Unlike previous years, we have taken the decision NOT to dress up in order to comply with current risk assessments in relation to Covid-19. Children frequently bring in hats and other props which have the potential to be shared. We are also very aware of the financial pressure this may put upon some parents whose employment may have been affected by the global pandemic. Thank you for your understanding in this matter.

[Parents' Evening](#)

Information will be sent next week with regard to arrangements for parent / teacher meetings which are traditionally held in February. However, if at any time you would like to speak to the class teacher about a matter relating to your child, please ask for a telephone appointment via Google classroom or call the office to arrange.

[Communication with staff](#)

If you need to communicate with a member of staff, we politely ask that this is done remotely where possible. Should you need to speak face to face, please ensure that this is done with a safe distance between you and the staff member. Ideally, a face covering should be worn in order to keep everyone safe.

[Inhalers and medication](#)

Please remember to return all inhalers on Monday 8th March. For any pupil with a new inhaler or medication that needs to be taken, the person with parental responsibility should complete the on-line form via their sQuid account for permissions.

[Reminder of return times](#)

Return times are as the table below and are extremely important to avoid the cross-over of 'bubbles'. Any child arriving late should notify the office and enter via the pedestrian gate. Thank you for your support in this matter.
