[INSET Days 2022-23](#)

Currently, there are three dates set out of a possible five for the INSET days 2022-23:

Thursday 1st September

Friday 2nd September

Friday 30th September

The remaining two dates will be confirmed in due course.

Sports' Day: Monday 4th July

We are looking forward to hosting Sports' Day on Monday. Please remember to send your child in the correct colour top for their house (Ash, Beech, Oak, Sycamore). Please also ensure that they have plenty of water in school with them. Check the weather forecast in advance and send sun cream/sun hat as applicable.

KS1

Please make your way up to the top field (through the car park) for a 9.15am start. Children will sit along the closest side of the track. Parents and other spectators, please sit on the opposite side. After the races, there will be some 'field' events. The children will move between the activities as a class. Parents are invited to move around with their child's class.

KS2

The car park gates will open from 1pm for parents and spectators to make their way up to the top field (through the car park) for a 1.15pm start. As above, please sit on the opposite side of the track. After the races, there will also be some 'field' events. Parents - you will be asked to help us score during these events 😊

Y2 Trip to Chapelton Library

On Thursday afternoon, Y2 walked down to Chapelton Library where they spent the afternoon enjoying books. Miss Fenlon was very proud of the sensible behaviour they displayed on the walk through Chapelton and how well they engaged with the books. They were all very keen to use their library cards or to join the library!

Sickness and Diarrhoea

If your child has had sickness and/or diarrhoea please remember the Public Health England guidance on infection control, which school uses as part of its policy, is that children do not attend school until 48 hours after the last episode. Not only can these infections be passed to other children but also adults in school which, in turn affects teaching and learning. Thank you.

Hay Fever

If your child suffers with hay fever and needs medication (medicine, eye drops, nasal spray) through the day during the high pollen season, please complete the Medicine Administration form on sQuid. Even if their medication is not prescribed. If children have their first dose of medication at home, staff can give another dose at lunchtime to help them through the day.

Water Bottles

Please ensure your child comes into school with their water bottle every day. Bottles should contain water only please, not flavoured water or fruit juice. Thank you for your support.

Late Arrivals and Late Collections

If you are late bringing your child to school please bring them to the office and sign them in on our electronic system. They will need to order their lunch choice here too. If you are late collecting your child or children please come to the office and sign them out. Staff will be available to help you use the system. Thank you.

Reading for Pleasure

To encourage and promote a love of reading we would like to extend our 'reading for pleasure' to parents and carers. There will be a 'library' trolley for book exchanges under the parent shelter by the main entrance every Friday from next week (8th July).

	Weekly Attendance	Bennett Award	House Points	Learning Mindset - Be Respectful and co-operate
F2	95.81%		Isaac Waldron	Seren Mullan
Y1	92%	Luca Jannasch Luca always gives 100% to every lesson. He uses in depth vocabulary to express ideas, uses shared modelling to extend his writing and is lightning fast with maths questions and problem solving!	Ava Hall	Matilda Judge
Y2	94.67%	All of Year 2! Year 2 were so sensible and polite during our trip to the library. They listened to instructions and were really engaged in the texts that they were reading at the library. Well done!	Ethan Spooner	Esther Holroyde
Y3	91.72%	Elae Small Elae has been working very hard this week in all her subjects. She is also always helpful and encouraging to everyone. Well done Elae!	Sofia Marriott	Harry Clarke
Y4	96.67%	Justin Htet Justin has settled in really well at Coit. This week, he wrote a book all about himself to share with Y4 - it's been very popular in our reading corner!	Charlie Drew	Jessica Coe
Y5	97.42%	Reuben Pearson Reuben has had a great week this week. He has been trying	Bailey Nicholson	Orlando Miller

		hard in all subjects and Mrs Howford has been particularly impressed with his efforts in French! Well done Reuben 😊		
Y6	87.33%	All the class! Y6 really pushed themselves and excelled on their residential. They 'got stuck in' and supported each other brilliantly	Owen Lever	Lewis Mellors

Our Awards

If you have any awards you would like to share please email Mrs Short: sshort@coit.sheffield.sch.uk
