End of Term Messages

On behalf of all the staff we wish that you all have a good half term holiday.

Covid

The messages from Greg Fell, Sheffield Public Health Director, would suggest that the numbers of positive COVID cases in the school age population are now starting to stabilise but remain **at a high rate**. Hence, school will continue to be cautious after half term in terms of returning to a pre covid operating state until we have any further updates.

Healthy Snacks and Healthy Lunchtimes

Please see the attached leaflet which provides some good suggestions for eating healthily. Please note that this also includes healthy snacks at breaktime including fruit/vegetables in place of crisps / sweets

Medicines in School

Should your child need to start using an inhaler or take regular medicine in school then a care plan will need to be organised. Please contact Mrs Short to arrange this.

For short term medications that need to be given in school then a form will need to be completed beforehand providing the necessary details of dosage and timings. These forms are available via your sQuid account. Medication must be in its original packaging.

Please do not send children to school with medicine in the children's lunchboxes / book bags / coat pockets.

Address/Mobile Phone/Email Changes

Please let school know promptly if any of the above have changed so that we can amend our records and contact you efficiently if there should be an emergency. A form is available via your squid account for this purpose.

Diary Dates

We have some exciting events coming up next half term including World Book Day (wear your pajamas to school day!), Comic Relief and Science Week. Details will be sent after the break. Longer term, we are looking forward to once again supplementing our learning with educational visits off-site. As such, we are very excited to have booked our traditional whole school trip to the Lyceum Theatre for the pantomime in December 2022 (Jack and the Beanstalk)!!

Parking

Please do not park on the zig zags outside school, we understand parking is limited but they are there to keep your children safe. Thank you.

Children's Mental Health Week

In school this week, we have been thinking about the theme 'Growing Together' and how we can support our peers to grow emotionally and help them if they need cheering up. We kick started the week with an assembly and the children were tasked with the job of thinking of something they could

do in order to help someone who wasn't feeling happy. In our assembly today, the Bennett Award winners won the award based on the kindness, respect and compassion they had shown during the week.

Sports Reports

Some of our children have taken part in competitions outside of school this week. Year 4 took two teams to a handball tournament at Ecclesfield Secondary school on Tuesday night. They played amazingly well and showed determination, resilience and fantastic teamwork. We are extremely proud of both teams who came overall 1st and 4th in the competition. Isla Carr-Coliver and Tommy Pellegrina both won special awards for outstanding performances.

Y5 Dodgeball Tournament

On the 10th February an excited but slightly nervous team went to Forge Valley School to participate in a dodgeball tournament. The Coit team won the first three games putting us reasonably high in the leaderboard. Our team ended up coming an amazing 3rd place out of 11 schools. All of the team showed plenty of determination. Well done, Year 5!
