Comic Relief Friday 18th March

The pupil group for the Champions of Change (Charity) have organised a superhero fancy dress day and a nose and spoon race on Friday 18th March for this year's Red Nose Day.

Red noses are on sale as an offer on your sQuid account together with an opportunity to donate an additional small amount for children dressing up in a superhero costume or in the colours of their favourite superhero.

Thank you to Miss Kennedy and Mrs Perera who have worked hard with the Charity Group to plan this exciting day!

Science Week 21st March 2022

From Monday 21st March until Friday 25th March we will be celebrating British Science Week across school. As part of this, there will be many different activities that the children will be participating in linked to this year's theme of 'Growth'.

Professor Bubbles Showcase

On Wednesday 23rd March, we have organised for Professor Bubbles to visit school and showcase a variety of different 'Wow' science investigations themed around the concept of growth. Each child will be able to experience the awe and wonder of science and compare what they think will happen to what actually happens and why this may be the case.

Details of other activities will be sent next week.

Open Event Monday 28th March

We are extremely happy to be inviting parents / carers into school in order that children can share their books, progress in learning and showcase their classroom environment.

In an effort to remain vigilant with the C-19 virus, we are asking parents to sign up to a 25 minute slot via your Operoo account (early morning, after school slot, early evening slot) with a maximum of two adults per child. This offer will go live tonight (Friday 11th March). Please note that you should enter and exit via the external classroom door.

We look forward to seeing you!

Whole School Assembly

The children and staff were very excited to have a whole school assembly today. Behaviour was exemplary. Many thanks to James Lythgoe (Y6) who was a great presenter alongside Mrs Rodrigo!

Our Awards

	Bennett Award	House Points	Learning Mindset - Be Resilient
F2	Charlie Short An excellent effort this week with all areas of learning! I have seen some excellent writing - Keep trying really hard!	Edie Binnion	Seren Mullan
Y1	Noah Boldock Noah has had some amazing ideas this week which have demonstrated a greater depth in his knowledge and understanding of our English text. I have been blown away by his input, and as always his art.	Matilda Judge	Thomas Hosford
Y2	Iris Kirkman Skerritt A super week of learning. Iris has been really focused this week and has produced some super work. Keep it up!	Teddy Tew	Jai Sangha
Y3	Lucas Bailey Lucas always comes to school with a fantastic positive attitude. He has been putting lots of effort into all his lessons and has written a lovely poem in English. Well done Lucas!	Jai Sidhabatuni	Faith McLachlan
Y4	Oliver Sheriff Oliver has taken our feedback on board and is beginning to push himself more and more. He has really challenged himself in maths this week - keep going, Oliver!	Ella Greenwood	Zach Judge
Y5	Ruby Woods Ruby has had a fantastic week! Her writing has been amazing and she is working so hard in maths. She has shown that she is a good friend to others and has generally been a model pupil. Well done Ruby!!!	Sienna Woodhead	Lucy Marshall
Y6	Oliver Colville Oliver has thought hard about his learning across the curriculum. He is doing his best in every lesson and his efforts have not gone unnoticed. Please keep it up, Oliver.	James Lythgoe	Zack Round

Annabelle Lee has moved up a level in swimming. Layla Watson has moved up a level in gymnastics and swimming. Seren Mullen has moved up two levels in swimming.
Well done to all.

If you have any awards you would like to share please email Mrs Short:
