EMERGENCY CLOSURE PROCEDURE

As we approach the winter months, we would just like to remind you of the following information in case of school closure:

- A text message will be sent out to all parents who are currently registered on our text messaging system. The message will go out to all designated priority numbers. (Please ensure the school has been notified if you have recently changed your number or if you wish to include another contact number)
- Parents will be asked to collect children by a certain time. Members of school staff who live nearby will remain with the children until their collection. (Please refer to the collection point information below)
- A member of staff will inform Radio Hallam and Radio Sheffield that school is due to close. If school is closing because of adverse weather conditions then it is highly likely that other schools will also close and parents/carers could listen to the above radio stations for further details as they will regularly read out a list of school closures
- If you are unable to collect your child, please do not panic. School staff will remain with the children until all the children have been safely collected. If you cannot collect your child by the specified time then please email the office with the name of the person who will be collecting your child/children on your behalf on: enquiries@coit.sheffield.sch.uk. Emails to enquiries@coit.sheffield.sch.uk will be monitored all the time on an emergency closure day, other emails you may have may not be monitored

Anti-bullying Week

Anti-bullying Week has been celebrated throughout school and there was a big focus on the theme 'One Kind Word'. The children did a fantastic job sharing what they had learnt in class during our assembly today. We listened to poems, PowerPoints, read kindness cards, listened to positive verbal messages and looked at some amazing t-shirt designs. The children shared some really important messages about kindness and diversity and they all spoke clearly and with confidence. Well done!

Christmas Cards

Please complete and return your Christmas card template with your order by **Friday 26th November**. Once your order is received your payment amount will be loaded onto your sQuid account.
