[INSET Days 2022-23](#)

Currently, there are three dates set out of a possible five for the INSET days 2022-23:

Thursday 1st September

Friday 2nd September

Friday 30th September

The remaining two dates will be confirmed in due course.

Sickness and Diarrhoea

If your child has had sickness and/or diarrhoea please remember the Public Health England guidance on infection control, which school uses as part of its policy, is that children should not attend school until 48 hours after the last episode. Not only can these infections be passed to other children but also adults in school which, in turn affects teaching and learning.
Thank you.

Y6 Residential

Y6 have had an amazing time at Kingswood (as you can tell from the photos) and have shown great maturity whilst being away from home.

A huge thank you to Mr Watson, Mrs Howford and Mrs Brailsford for accompanying the children for the full trip.

[Informal Parents' Evening Wednesday 13th July from 3:30pm](#)

This is an event to see your child's work from this academic year and also to attend talks from their next class teacher. These talks will include expectations in terms of attainment, possible topic themes and off site visits, homework, daily routines and an opportunity to see your child's new classroom environment for next year. Details to follow.

[Late Arrivals and Late Collections](#)

If you are late bringing your child to school please bring them to the office and sign them in on our electronic system. They will need to order their lunch choice here too. If you are late collecting your child or children please come to the office and sign them out. Staff will be available to help you use the system. Thank you.

[Hay Fever](#)

If your child suffers with hay fever and needs medication (medicine, eye drops, nasal spray) through the day during the high pollen season, please complete the Medicine Administration form on sQuid. Even if their medication is not prescribed. If children have their first dose of medication at home, staff can give another dose at lunchtime to help them through the day.

[Reading for Pleasure](#)

To encourage and promote a love of reading we would like to extend our 'reading for pleasure' to parents and carers. There will be a 'library' trolley for book exchanges under the parent shelter by the main entrance every Friday.

Water Bottles

Please ensure your child comes into school with their water bottle every day. Bottles should contain water only please, not flavoured water or fruit juice. Thank you for your support.

Transition Assembly

The whole school took part in an assembly by St John's church about transition.

Golf Day

Fresh on the back of Sheffield's own Matt Fitzpatrick winning the US Golf Open, all classes had an opportunity to work with a golf coach as part of our golf day. They played a target-practice game which was great fun!

Y5 had a fantastic day out at Concord Leisure Centre yesterday. They took part in a range of different sports and showed superb sportsmanship. Their behaviour was excellent; we are proud of how they represented Coit.
