[Jubilee Celebrations](#)

Thank you to parents, carers and teachers for your generous donations of cakes and raffle prizes for yesterday afternoon's celebrations.

Thank you to our CPG members for their time spent organising donations, selling cakes and tickets to raise funds which are spent on all the children. A huge £370 was raised through your generosity.

Thank you and well done children for your hard work, practising and performing your songs and dances. We are proud of you all, as always.

Finally, thank you to all parents and carers who were able to attend and to the staff and CPG members who stayed behind to clean up!

[Cake Winners](#)

Our guest judges had the very difficult task of choosing a winner from each key stage for our baking competition. The standard was incredibly high and they could see that you had all worked really hard to produce the best cakes. Congratulations to our winners.

Girls' Football Coach Training

On Monday the 23rd May, the PESSPA (physical education, school sports, physical activity) team went to a coaching session at the English Institute of Sport. This was to support the upcoming women's euros. During the session, the schools were split into different groups and did some training. Now the PESSPA girls will put their extra knowledge into their girls' football sessions.

In case any KS2 girls want to join in, there is a tournament currently happening on the KS1 yard or the field. Training sessions and matches happen every Friday. All in all, they had an amazing time!
