PESSPA (P.E, School Sport and Physical Activity)

A massive well-done to 3 children from the PESSPA council that interviewed the manager of Thorncliffe Leisure Centre this week and represented the school with maturity and confidence. Francesca Hancox, Reuben Pearson and Alice Sykes took part in a zoom meeting where they asked a number of questions about provision for primary school pupils during half term. Thorncliffe are providing an exciting swimming camp and further details will be published in next week's newsletter.

Children's Mental Health Week

Next week, we will be celebrating 'Children's Mental Health Week'. The theme is 'Growing Together' and we will be exploring what this means in class and during assemblies. We will also be discussing the importance of good mental health and how we can look after ourselves to ensure we are safe and happy. The Bennet Award winner this week will also be selected based on them being a kind, supportive and encouraging member of the class and someone who helps their friends 'to grow'.

KS2 TTRockstars Competition

Well done to Y4 and Y5 who were the winners of this week's competitions. Congratulations to Izzi, Ruby, Harrison, Roxxie, Stanley, Zahia and Harley who were chosen as this week's most improved players. Keep it up KS2! Next week is the final week of the competition - let's see what we've got!

Maths at Home

We have purchased a new Maths online platform which can provide the children with individualised practice in different areas of Maths. All you need to do is visit [Freckle.com](https://www.freckle.com) and log in as a student. Years 2 to 6 should have brought home a class code to use to access their account. If you're not sure, contact your child's class teacher using the year group email address or Google Classroom.
