World Book Day Celebrations

It was lovely to see the children taking part in our World Book Day celebrations in their pyjamas today. Classes have worked on book themed lessons all day and had a story and a biscuit at the end of the day. We have really enjoyed seeing the children in the hall together and classes working collaboratively during our celebrations.

Parents' Evenings and Structured Conversations

As always, we have had excellent take up of the opportunity to discuss progress and attainment between parents and teaching staff. Many thanks for your on-going support. As outlined in last week's Covid update letter, we will have an open event day on Monday 28th March whereby your child can share their books with you. Further details to follow.

Red Nose Day

Children can come dressed as their favourite superhero or in their favourite superhero's colours on Friday 18th March for Comic Relief. Red noses are available to purchase now and donations to Comic Relief 2022 can also be made via your sQuid account. Please note we are not able to accept cash for red noses, they must be purchased via sQuid (first come, first served basis).
